

NIH POLICY MANUAL

3012 - PARTICIPATION OF FOREIGN NATIONAL PATIENTS IN INTRAMURAL CLINICAL RESEARCH STUDIES

Issuing Office: ORS/DIS (formerly FIC) 301-496-6166

Rescission Date: 9/21/04

-
1. **Explanation of Material Transmitted:** This transmittal notice rescinds the chapter and its corresponding guidelines established for the participation of foreign patients in treatment or study in all NIH Intramural clinical facilities. The guidelines were never implemented. Foreign patients are now assisted directly by the Clinical Center Social Work staff with the Division of International Service serving as a resource office. All foreign travel issues are covered by separate policies.
